FOOD HALL

THE FOOD | THE DRINK
THE PLACE TO BE

W.C. Bradley Real Estate Co. is bringing a fresh, contemporary dining experience to Columbus. Banks Food Hall will be a 12,000 sq. ft. indoor and outdoor eatery offering 10 dining options for up to 250, a bar and live music.

Molded out of the historic Banks Building on Bay Avenue, across from the splash pad and playground and on the banks of the Chattahoochee River, Banks Food Hall was designed to respect the local tradition of maintaining historical industrial architecture while integrating modern conveniences. Think heavy timber beams, old world doors and windows, and exposed

brick, paired with contemporary high-efficiency lighting and I.T. infrastructure.

Banks Food Hall will feature indoor and outdoor dining spaces, a bar and live music.

Customers will be find ample seating on concrete, wood tables and benches, lounges and bar tops.
